SUPPLEMENTARY INFORMATION:

Background

I. Legal Basis

FMCSA has authority under 49 U.S.C. 31136(e) and 31315 to grant exemptions from certain parts of the Federal Motor Carrier Safety Regulations (FMCSRs). FMCSA is required to publish notice of exemption requests in the Federal Register (49 U.S.C. 31315(b)(6)(A)). This notice seeks public comment on the request posted to the docket referenced above; the Agency takes no position on its merits. FMCSA will review the request and all comments submitted to the docket before deciding whether to grant or deny the exemption.

II. Rosco's Application for Exemption

Section 393.80(a) of the FMCSRs requires that each bus, truck, and truck-tractor be equipped with two rear-vision mirrors, one at each side. The mirrors must be positioned to reflect to the driver a view of the highway to the rear and the area along both sides of the CMV. Section 393.80(a) cross-references the National Highway Traffic Safety Administration's standard for mirrors on motor vehicles (49 CFR 571.111, Federal Motor Vehicle Safety Standard [FMVSS] No. 111). Paragraph S7.1 of FMVSS No. 111 provides requirements for mirrors on multipurpose passenger vehicles and trucks with a gross vehicle weight rating (GVWR) greater than 4,536 kg and less than 11,340 kg and each bus, other than a school bus, with a GVWR of more than 4,536 kg. Paragraph S8.1 provides requirements for mirrors on multipurpose passenger vehicles and trucks with a GVWR of 11,340 kg or more. Rosco have applied for an exemption from 393.80(a) to allow motor carriers to operate CMVs equipped with the company's Digital Camera Monitor System installed as an alternative to the two rear-vision mirrors required by the

FMCSRs. A copy of the application is included in the docket referenced at the beginning of this notice.

III. Request for Comments

In accordance with 49 U.S.C. 31315(b)(6), FMCSA requests public comment from all interested persons on the application for an exemption from 49 CFR 393.80(a). All comments received before the close of business on the comment closing date indicated at the beginning of this notice will be considered and will be available for examination in the docket at the location listed under the **Addresses** section of this notice. Comments received after the comment closing date will be filed in the public docket and will be considered to the extent practicable. In addition to late comments.

FMCSA will also continue to file, in the public docket, relevant information that becomes available after the comment closing date. Interested persons should continue to examine the public docket for new material.
